Detective: _____ Date: _____

The championship match is tonight, but the trophy room is in a panic! The legendary Golden Cleat trophy has disappeared right off its pedestal. Coach Sarah needs your help to find which player took it before kickoff!

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the Sneaky Striker is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.
