Detective: _____ Date: _____

The great Forest Cup Final is tonight, but someone has stolen the Golden Acorn Trophy right from the goalie's nest! Track the culprit across the soccer pitches before the whistle blows.

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the Rogue Striker is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.

CLUE 5**Division facts (1-12) - the last clue**

The kit assistants need to share the training bibs equally among the teams. Dividing the total bibs by the players tells you how many each cat gets, clearing the field so you spot the last clue!

First solve each problem. Then find each answer in the numbered list below and cross that sentence out. One sentence will be left - that is exactly what the villain did!

Step 1 - solve these:

$10 \div 10 = \square$

$24 \div 8 = \square$

$120 \div 10 = \square$

$40 \div 5 = \square$

$8 \div 2 = \square$

$99 \div 11 = \square$

$20 \div 4 = \square$

$14 \div 2 = \square$

$60 \div 10 = \square$

$16 \div 8 = \square$

$120 \div 12 = \square$

Step 2 - cross out the sentence with each answer:

1. The villain makes a bramble tackle, then slides on a mud slip.
2. The villain runs with a fire streak, then glows with star clan light.
3. The villain makes a bramble tackle, then glows with star clan light.
4. The villain dribbles with a river glide, then glows with star clan light.
5. The villain shoots a thunder kick, then slides on a mud slip.
6. The villain jumps in a shadow leap, then passes with a feather touch.
7. The villain dribbles with a river glide, then slides on a mud slip.
8. The villain shoots a thunder kick, then glows with star clan light.
9. The villain makes a bramble tackle, then passes with a feather touch.
10. The villain runs with a fire streak, then slides on a mud slip.
11. The villain jumps in a shadow leap, then holds an oak shield.
12. The villain jumps in a shadow leap, then glows with star clan light.
