Detective: _____ Date: _____

The Championship Cup has vanished from the locked trophy room! A mysterious player snuck past security right before the big game. Coach Miller needs your help to find the culprit before kickoff!

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the The Phantom Striker is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.

Fractions of a number

We found a pile of practice soccer balls by the locker room door. Only a fraction of them have strange muddy prints. Let us count them to rule out one of the villain's extra items!

Solve each problem, then write its letter in every clue box that shows the same number.

CLUE 5**Missing addends - the last clue**

We are missing some goalie gloves from the equipment bag. Finding the missing number to reach our total will give us the final clue to identify the thief!

First solve each problem. Then find each answer in the numbered list below and cross that sentence out. One sentence will be left - that is exactly what the villain did!

Step 1 - solve these:

$26 + \underline{\quad} = 34$

$30 + \underline{\quad} = 31$

$12 + \underline{\quad} = 19$

$21 + \underline{\quad} = 27$

$6 + \underline{\quad} = 9$

$39 + \underline{\quad} = 48$

$9 + \underline{\quad} = 19$

$19 + \underline{\quad} = 31$

$3 + \underline{\quad} = 5$

$8 + \underline{\quad} = 13$

$27 + \underline{\quad} = 31$

Step 2 - cross out the sentence with each answer:

1. The villain takes a lightning penalty kick, then checks their smart watch to time the escape.
2. The villain speeds past the defense, then drinks a quick energy sports drink.
3. The villain scores with a bicycle kick, then escapes wearing golden boots.
4. The villain blasts a curving free kick, then checks their smart watch to time the escape.
5. The villain scores with a bicycle kick, then drinks a quick energy sports drink.
6. The villain scores with a bicycle kick, then flashes bright neon shin guards.
7. The villain speeds past the defense, then grabs the trophy with sticky gloves.
8. The villain blasts a curving free kick, then flashes bright neon shin guards.
9. The villain blasts a curving free kick, then drinks a quick energy sports drink.
10. The villain takes a lightning penalty kick, then grabs the trophy with sticky gloves.
11. The villain leaps for a massive header, then flashes bright neon shin guards.
12. The villain scores with a bicycle kick, then checks their smart watch to time the escape.
