Detective: _____ Date: _____

The big surprise party for our spelling bee winner is about to start! But oh no! The giant golden-frosted trophy cupcake is missing from the main table! We must look for clues and find out who took the sweet prize.

2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the Cupcake Bandit is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.
