Grade 3 math · Addition, Rounding, Subtraction, Multiplication, Division · Reading level grades 3-4

Detective: _____ **Date:** _____

Oh no! The Mayor of Halloween Town had their legendary Golden Pumpkin snatched right before the midnight parade! The Spook Squad has been called in to track down the sneaky thief before the moon sets.

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the Grave Gobbler is _____

Possible suspects

CLUE 5**Division facts (1-12) - the last clue**

To open the heavy tomb door, we have to share the magic skeletons equally among the gates. Divide them up!

First solve each problem. Then find each answer in the numbered list below and cross that sentence out. One sentence will be left - that is exactly what the villain did!

Step 1 - solve these:

$56 \div 8 = \boxed{}$

$6 \div 3 = \boxed{}$

$88 \div 8 = \boxed{}$

$24 \div 4 = \boxed{}$

$3 \div 3 = \boxed{}$

$63 \div 7 = \boxed{}$

$144 \div 12 = \boxed{}$

$3 \div 1 = \boxed{}$

$12 \div 3 = \boxed{}$

$90 \div 9 = \boxed{}$

$80 \div 10 = \boxed{}$

Step 2 - cross out the sentence with each answer:

1. The villain conjured spooky illusions, then cast a tricky candy curse.
2. The villain scattered floating lanterns, then cast a tricky candy curse.
3. The villain vanished with shadow step, then fled on a fast witch broom.
4. The villain brewed glowing potions, then cast a tricky candy curse.
5. The villain brewed glowing potions, then called down a squeaking bats swarm.
6. The villain brewed glowing potions, then fled on a fast witch broom.
7. The villain scattered floating lanterns, then called down a squeaking bats swarm.
8. The villain summoned ghostly whispers, then called down a squeaking bats swarm.
9. The villain vanished with shadow step, then tangled the yard in a cobweb trap.
10. The villain brewed glowing potions, then flung a fiery pumpkin bomb.
