Grade 1 math · Addition, Subtraction, Skip counting, Place value, Missing addends · Reading level grades 1-2

Detective: _____ Date: _____

Oh no! Someone hid the super-duper golden block in the playroom! Spidey needs your help to find out who did it so we can finish building our big tower.

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the sneaky snatcher is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.

CLUE 5**Missing addends - the last clue**

We need ten red blocks to finish the bridge, but we only have some. Let us find the missing number to get the last clue.

First solve each problem. Then find each answer in the numbered list below and cross that sentence out. One sentence will be left - that is exactly what the villain did!

Step 1 - solve these:

$8 + \underline{\quad} = 13$

$1 + \underline{\quad} = 13$

$8 + \underline{\quad} = 12$

$4 + \underline{\quad} = 15$

$6 + \underline{\quad} = 8$

$6 + \underline{\quad} = 15$

$3 + \underline{\quad} = 4$

$1 + \underline{\quad} = 11$

$5 + \underline{\quad} = 11$

$7 + \underline{\quad} = 10$

$1 + \underline{\quad} = 9$

Step 2 - cross out the sentence with each answer:

1. The villain zoomed across the room with wings, then bounced a super ball into the cubby.
2. The villain zoomed across the room with wings, then shot bubbles all over the nap mats.
3. The villain flew a spider drone to the shelf, then shot bubbles all over the nap mats.
4. The villain climbed the chalkboard with gloves, then shined a flashlight badge on the floor.
5. The villain shot a sticky web onto the slide, then shined a flashlight badge on the floor.
6. The villain flew a spider drone to the shelf, then left a glowing sticker on the wall.
7. The villain climbed the chalkboard with gloves, then bounced a super ball into the cubby.
8. The villain stomped up the wall with boots, then shot bubbles all over the nap mats.
9. The villain flew a spider drone to the shelf, then bounced a super ball into the cubby.
10. The villain zoomed across the room with wings, then shined a flashlight badge on the floor.
11. The villain stomped up the wall with boots, then pointed a laser light at the ceiling.
12. The villain flew a spider drone to the shelf, then pointed a laser light at the ceiling.
