

The Missing Championship Trophy

Grade 1 math · Addition, Subtraction, Skip counting, Place value, Missing addends · Reading level grades 1-2

Detective: _____ **Date:** _____

The big game is tonight! But oh no! The shiny gold trophy is gone from the trophy case. Only a sneaky player could have taken it. Coach needs your help. Look at the clues on the court to find the Foul Player!

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the Foul Player is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.

CLUE 1 Addition

The referee counts the practice balls. He adds the red balls and the blue balls. He finds a clue on the rack!

Solve each problem, then write its letter in every clue box that shows the same number.

CLUE 2 Subtraction

The coach has a bag of water bottles. Some bottles fall out of the bag. Subtraction tells us how many are left, and we find a clue!

Solve each problem, then write its letter in every clue box that shows the same number.

CLUE 5**Missing addends - the last clue**

We need ten cones for practice. We only have six cones. How many more do we need? Solving this gets us the last clue!

First solve each problem. Then find each answer in the numbered list below and cross that sentence out. One sentence will be left - that is exactly what the villain did!

Step 1 - solve these:

$5 + \underline{\quad} = 6$

$7 + \underline{\quad} = 15$

$10 + \underline{\quad} = 15$

$5 + \underline{\quad} = 7$

$5 + \underline{\quad} = 15$

$2 + \underline{\quad} = 6$

$8 + \underline{\quad} = 15$

$10 + \underline{\quad} = 22$

$1 + \underline{\quad} = 10$

$9 + \underline{\quad} = 12$

$9 + \underline{\quad} = 20$

Step 2 - cross out the sentence with each answer:

1. The villain shot a wild trick shot, then blew a shiny silver whistle.
2. The villain made a super high jump, then squeaked their brand new shoes.
3. The villain made a swift no-look pass, then blew a shiny silver whistle.
4. The villain made a super high jump, then blew a shiny silver whistle.
5. The villain shot a wild trick shot, then adjusted their green sweatband.
6. The villain dribbled past the guard, then blew a shiny silver whistle.
7. The villain dribbled past the guard, then dropped a heavy golden basketball.
8. The villain shot a wild trick shot, then squeaked their brand new shoes.
9. The villain made a super high jump, then adjusted their green sweatband.
10. The villain dribbled past the guard, then shined their glowing sneakers.
11. The villain made a swift no-look pass, then adjusted their green sweatband.
12. The villain made a super high jump, then shined their glowing sneakers.
