Grade 5 math · Fractions of a number, Order of operations, Multiplication, Rounding, Division · Reading level grades 5-6

Detective: _____ **Date:** _____

The legendary Lucky Ivy Bat has been swiped from the Wrigley Field clubhouse right before the big game! The head groundskeeper needs your junior detective skills to search the stadium, crack the codes, and find out which staff member or player took it.

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the thief is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.

The groundskeepers are dividing a big sack of sunflower seeds equally among the outfield crew so everyone stays awake to guard the ivy.

First solve each problem. Then find each answer in the numbered list below and cross that sentence out. One sentence will be left - that is exactly what the villain did!

Step 1 - solve these:

$108 \div 9 = \boxed{}$

$72 \div 8 = \boxed{}$

$6 \div 1 = \boxed{}$

$48 \div 6 = \boxed{}$

$35 \div 5 = \boxed{}$

$7 \div 7 = \boxed{}$

$45 \div 9 = \boxed{}$

$24 \div 8 = \boxed{}$

$22 \div 11 = \boxed{}$

$16 \div 4 = \boxed{}$

$90 \div 9 = \boxed{}$

Step 2 - cross out the sentence with each answer:

1. The villain slowed down the chase with a changeup throw, then wiped the evidence with wrist bands.
2. The villain slowed down the chase with a changeup throw, then snatched the bat using a blue helmet.
3. The villain slowed down the chase with a changeup throw, then ran across the dirt with shiny cleats.
4. The villain slipped past the gate with a tricky slider, then dashed away wearing striped socks.
5. The villain fooled the security guard with a curveball, then wiped the evidence with wrist bands.
6. The villain threw a wild fastball to distract everyone, then snatched the bat using a blue helmet.
7. The villain threw a wild fastball to distract everyone, then dashed away wearing striped socks.
